CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded to a traffic collision at Placentia Lane X Main Street. Initial reports, reported that an occupant needed extrication and one vehicle was on fire. The first arriving engine company reported two vehicles with major damage to both vehicles with no fire. Both occupants of the vehicle needed to be extricated. One occupant was in full cardiac arrest. A second truck company was requested to respond to assist with extrication. The other occupant of the vehicle was partially ejected with their lower extremities entangled around the gas and brake pedal in moderate condition. Extrication was rapidly completed on the occupant who was partially ejected and transported to a local area hospital by AMR and RFD Firefighter/Paramedics. The patient in full cardiac arrest was rapidly extricated and transported to a local area hospital by AMR and RFD Firefighter/Paramedics. The patient in full cardiac arrest was pronounced deceased at the hospital. There was a total of two patients, one solo driver in each vehicle. The traffic collision occurred on the city boundary line with the City of Colton. RPD arrived on scene and took over the scene. Main Street North at Placentia was closed due to the accident and for an unknown specified time to allow for an investigation.
